Talking Guide

“ The talking guide is the Tour Guide that you control. Let it be your host as it accompanies you around the town.

Soak up the atmosphere and learn of some of the history of this popular resort. Learn more of our connection with Australia and hear both interesting facts and amusing stories about our past. ”

Safety

Remember that your safety is paramount, so please do not listen whilst walking. Be aware of the traffic and take care crossing roads.

For people with disabilities

The handset has raised symbols for visually impaired and can be used with a neck loop for those with a suitable hearing aid.

Watching the Videos

On your return to St Columba's you are invited to watch videos showing interesting parts of the town.

Museum

The museum run by Largs Historical Society is open from end of May to end of September and well worth a visit. Why not arrange to spend some time there during your stay.

Open Monday to Saturday from 2pm until 5pm.

Patrons: Major General, The Hon. Seymour Monro, CBE
